

Join Us at Farnborough International Airshow

Pioneers of Tomorrow | Careers Day | 24 July 2026

Find us at Stand 4911 – Hall 4

Senior and its UK businesses are pleased to be part of this inspiring event—bringing the next generation closer to the exciting world of aerospace, aviation, and advanced engineering.

Whether you're a school student exploring future pathways, a university student shaping your career, or an educator guiding tomorrow's talent, this is your chance to discover what's possible.

Come and meet our expert team, hear first-hand about their career journeys, and gain insight into the intricate process and journey behind the design and creation of our innovative aerospace products.

What's waiting for you at our stand:

- Interactive activity showing you **Where Our Products Take Flight**
- Real conversations with **Industry Professionals**—ask us anything!
- Take on our **Box Puzzle Challenge** and test your problem-solving skills
- Practical **CV Writing and Career Advice** to boost your career prospects
- An opportunity to discover the many **Career Pathways** within aerospace and beyond

At Senior, we're not just showcasing what we do—we're here to help you imagine where *you* could go next.

Your future starts here. Come and explore the possibilities ...
